CARROT AND TOAST ANIMATED SERIES

Carrot and Toast dream of one day having their own animated series - can you imagine how cool that would be?

Well, in case the opportunity ever arises, their creator - [Drew Bristow](#) - has a whole bunch of episode ideas and themes, so if you think you'd be interested in commissioning a Carrot and Toast animated series drop him a message as he'd be super excited to discuss his ideas!

Just for fun, here are a few images that show the time Carrot and Toast met up with some of their animated idols!
